DR. CARMEN A SURPRISER

TAKES THE MAIN FEATURE OF AN ORDINARY PROGRAM AT NEW ORLEANS.

Rhymer Wins Owner Comstock His First Race of the Meeting—Board of Appeals in Its First Session.

New Orleans, La., February 25.—Big fields of ordinary horses made up the program at the Fair Grounds this afternoon, but some interesting sport developed and the large crowd in attendance was well entertained.

The best race was the fourth, in which some useful racers met. It resulted in an unexpected victory for Dr. Carmen, which in addition to scoring an easy win, surprised the talent by going the distance so easily. The J. W. Schorr entry, consisting of Syrian and Lindenthal, ruled favorite, but both suffered extensively from interference on the first turn.

H. O. Comstock won his first purse of the meeting when Rhymer won the two-year-old race. He was aided to victory by a jam in the first eighth, which he escaped. Wetsail, a first-time starter, may prove a useful racer, judging from the manner in which she disposed of eleven others in the second race. Mary Jay, which was thought to be much the best in the fifth, disappointed a horde of her backers.

Lucky George furnished an upset in the concluding dash when he beat out the favorites, Juliet and Birka. Juliet reverted back to her former owner, C. B. Reid, who claimed her for $700. Lucky George was bid up to $500 and bought by J. J. Shannon

Of keen interest to the numerous turfites here was the possible action of the grand jury, which met in regular session today and cited numerous witnesses to give evidence as to alleged violations of the Locke law in the Palm Garden. The witnesses included reformers, stakeholders and bettors. It is not expected that the grand jury will conclude its investigation until the night session and it may not finish until tomorrow.

Glint, which George Phillips claimed in a previous start, was bid up to $705, from the entered price of $400 and bought in.

The members of the board of appeals, with Capt. J. H. Rees as chairman, met last night and elected Alan Mehle secretary. They took up the appeals of F. Staton and jockeys Burger and Guy, which they will probably decide tomorrow. Judge Murphy also submitted to the board of appeals a record of the cases of Baker Brothers and Al Koenigsberg, all of whom are expected to appeal their cases.

R. L. Bresler has purchased on private terms from J. F. Sweeney the horse Harry Lauder, which he will ship, with others in his stable, to Hot Springs for the racing there.

J. C. Milam, who will train some of Senator J. N. Camden's horses as well as his own, was among today's arrivals from Lexington and will remain until the close of the racing here.

REGULAR FRIDAY HORSES FILL PROGRAM.

Havana, Cuba, February 25.—Well-backed horses won a majority of the races at Oriental Park this afternoon. The track was in perfect condition and the attendance large for an off day. The program was made to suit the ordinary horses

Colonel D'Estrampes has notified the management he would add a handsome prize to a handicap on the last day of the meeting, which may be extended one week beyond March 19, bringing the close on March 26.

E. Mernch of Toledo, O., a former owner, was a visitor.

Jockey Ball, who had the mount on Charles Francis in the fifth race, was unharmed by his fall.

YOUNGER DURYEA HORSES EXPECTED SOON.

Racing Club Organized at Honolulu—Heffner Advocates Long Distance Racing.

New York, February 25.—The probabilities are that the yearlings and two-year-olds belonging to the late H. B. Duryea will arrive in this country in about three weeks. There are more than thirty in the consignment. It is doubtful if any of the older horses will be permitted to come here while the war is in progress, though they may go to England to fill their engagements. There are fifteen horses in the older division, which were in England for some time under bond, but were returned to France. They may be allowed to go back again under the same conditions.

A letter from Lieutenant E. M. Whiting, now in Hawaii, says a racing and polo club has been organized in Honolulu and running races will be arranged. According to the letter, the first meeting will take place June 11 and 12 and another meeting is contemplated for August. There is a mile course at Kapiolani. The prominent owners of California will send horses to take part in the races. It is proposed to arrange a Hawaiian Derby and other suitable stakes. The committee in charge is composed of Americans and included A. W. Carter, Harry A. Baldwin, George P. Cook, Charles A. Rice and D. P. Risenberg. It is probable Lieutenant Whiting will be added to the committee. Lieutenant A. K. B. Lyman is also in Honolulu and may become interested in the proposition of thoroughbred racing on the island.

Edward W. Heffner sends a letter commenting on the movement for lengthening the distance of races. "I was speaking with Joe Notter at Brookdale," writes Mr. Heffner, "and we both agreed that if there were more long races it would be better for the turf in general. I also have yet to find a horseman who is not in favor of races that would give the heavier riders a chance, and I think if a canvass was made on this question the opinion would be practically unanimous for races with higher weights than has been the custom."

HUNT CLUBS TO EXTEND OPERATIONS.

New York, February 25.—Amateur racing, which has prospered wonderfully in the last few years, will broaden out considerably during 1916, if the plans of the American Masters of Fox Hounds are carried through to completion.

At a meeting of this association, held yesterday at Madison Square Garden, steps were taken to establish circuits of hunt club race meetings in sections where they are needed. At present there are twenty-nine recognized hunts and of these a great number do not conduct race meetings.

It is more than probable that the present year will see this form of racing established in Vermont and sections of Maryland, Pennsylvania and Virginia, where meetings have not been held heretofore. The Glen Arden Hunt Club is considering a meeting this spring at Goshen, N. Y., on the Brownleigh Park estate of Grant Hugh Browne.

At this meeting of the American Masters of Fox Hounds Association A. Henry Higginson, Middlesex (Mass.) hunt, presided, and H. G. Vaughan, of the Norfolk (Mass.) hunt, acted as secretary.

Those in attendance were E. H. Carle, Milbrook (N. Y.), hunt; Harry V. Smith, Worcester (Mass.) hunt; Dr. R. E. Webster, Ottawa (Canada) hunt; Major George Hooper, Montreal (Canada) hunt; J. Watson Webb, Shelbourne (Vermont) hunt; H. I. Nichols, Meadowbrook hunt, Long Island; James W. Appleton, Myopia (Mass.) hunt; Dr. E. Lester Jones, of Washington, D. C., and Joseph B. Thomas and Malborn G. Richardson, co-masters of the Piedmont (Va.) hunt.

CURRENT NOTES OF THE TURF.

Clubs shows much soreness in his work at New Orleans.

W. R. Norvell of Chicago has been definitely engaged as clerk of the scales and associate judge for the Hot Springs meeting.

Cecil Brabazon, Irish amateur rider, who has been in this country since last summer, received a cable offering him the mount on Jacobite in the substitute for the Liverpool Grand National in England. Mr. Brabazon, while he would like to ride again in this, the most coveted of steeplechase events, declined, and will confine his riding efforts to this side of the Atlantic for the present.

Steeplechasing this year promises to be an important part of the racing scheme and at this time the prospect is that the cross-country division will be both a large and a high-class one. Many good ones are being fitted on Long Island training grounds, while at Aiken, S. C., the colony is a particularly big one. Then William and Lewis Garth have their big string at Benning, while Gwyn Tompkins is fitting his at Warrenton, Va.

TAKES UP CUDGEL FOR ACCUSED JOCKEY.

George Swain, once prominent as a jockey on Canadian and American race tracks, is under arrest at Detroit charged with arson in connection with a fire which broke out at the Wayne Hotel. A blaze was discovered in Swain's room and he was arrested as he left the building and held pending investigation. This led Francis Nelson to write in the Toronto Globe:

"Swain had been in Toronto all winter, and left here a few days ago on his way to Kentucky with his expected means of livelihood, the race horse Briny Deep. Since last fall the lad had been working at a well-known hotel, and also in a leading city club, where he was well thought of, and which he left well recommended. For months Swain had stinted himself to provide necessities and veterinary care for the horse, with the hope that he would repay it when the races came, though only an optimist of the most pronounced kind could expect anything from Briny Deep. The former rider may be a tragedy of the turf, but he is not a firebug."

JOHN GRAHAM LANDS ANOTHER RACE.

El Paso, Texas, February 25.—With the exception of the second race, the fields at Juarez today were of moderate size. The chief attraction, a selling handicap at a mile, gave John Graham the opportunity of winning another purse. Connaught, the well-backed choice, was excessively used in the early racing and tired badly at the end.

Real Worth, the favorite of the opening dash, acted meanly at the barrier and refused to leave it when the rest of the field got away. The purse went to Dixie Mina.

Lesbia, after a series of disappointing races as a favorite, finally was returned a winner in the second race, in which Nifty figured as the runner up. Lesbia came in for substantial backing at remunerative odds.

Jockey C. Hunt rode the faint-hearted Moller to such purpose in the third that he held a decisive lead from the start to the finish.

HIGHLY RESPECTED TURFMAN PASSES ON.

Lexington, Ky., February 25.—Col. L. P. Tarlton, seventy years of age and prominent in Kentucky racing and political circles, owner of Fleetwood Stud and for many years presiding judge at Latonia, also breeder of a number of good horses, among them Raceland, Roslyn and Great Land, died this morning at his home in Franklin county after a brief illness. He was a grandson of Dr. Elisha Warfield, breeder of the famous Lexington, and was born at The Meadows, where Lexington was foaled, near this city.

Winner—Ch. c, by Salvation—La Poeta (trained by A. G. Blakeley).

Went to post at 2:33. At post 3 minutes. Start good and slow. Won easily; second and third driving. RHYMER was lucky in escaping interference on the far turn and, showing a high order of speed, won as his rider pleased. CUNEO made up ground and stood a drive resolutely. LADY WARD swerved out most of the way and just lasted long enough to save third place. WAR BRIDE set the early pace and tired fast in the last eighth. NEPERA was knocked completely out of any chance on the far turn, but closed a big gap. The winner was entered for $500; no bid.

Scratched—25171 The Duke, 112.

Overweights—Nepera, 1½ pounds; Heroine, 1.

GENERAL NEWS NOTES OF THE DAY.

The German forces have made further gains in the ferocious battle waging north of the fortress of Verdun, the official statement, issued at Berlin yesterday, saying: On the right bank of the River Meuse our successes previously reported were exploited yesterday in different directions. The fortified villages and farms of Champneuville, Cotelate, Marmont, Beaumont, Chambrettes and Orne were captured. In addition all the enemy's positions as far as the ridge of Loudemont were captured by storm. The sanguinary losses of the enemy again were extraordinarily heavy while our losses were normal. The number of prisoners taken was increased by over 7,000 to more than 10,000. No information can be given in regard to the booty in materials which we captured.

Senator Gore immediately, on the senate's convening yesterday afternoon, introduced his bill making it illegal for Americans to travel on armed vessels in time of war, and his resolution warning Americans to stay off such vessels. A resolution to express the sense of the senate that any issue affecting national honor should be referred, before decision, to congress, and that no ultimatum should be sent to a foreign power nor severance of diplomatic relations be permitted without reference to congress, was introduced by Senator Jones (Rep.) of Washington.

Two United States navy sailors were drowned in Lake Michigan yesterday when the heavy seas dashed a yawl carrying fifteen men against the south pier at the naval training station at Lake Bluff. Five men were thrown into the water. Two were rescued after feats of heroism and one saved himself. The dead are: Robert N. Walters, chief gunner's mate. Enlisted at Philadelphia. Bradford Bixby, apprentice seaman. Enlisted at Muskogee, Okla.

Essad Pasha, dictator of Albania, has abandoned his country before the Austro-Bulgar advance. Dispatches from Brindisi reported his arrival in Italy yesterday.

Eight German steamships, lying in the harbor at St. Vincent, Cape Verde Islands, were taken in charge yesterday by officials of the Portuguese government.
